CONGRESS.

SENATE PROCEEDINGS.
 WASHINGTON, D. C., December 7.—
 Senators Voorhees, Sherman, McMillan,
 Vest, Ingalls, Chittenden and Miller of
 N. Y., presented petitions for the
 passage of the bill to increase the pen-
 sions of one armed and one-legged sol-
 diers. Referred.

A bill was introduced by Senator
 Brown, of Ga., to amend the internal re-
 venue act of 1864, and all other laws,
 and parts of laws, enlarging, extending
 or amending the said act. Referred.
 Senator Vest, Mo., offered a resolu-
 tion, which was adopted, directing the
 Secretary of War to send to the Senate
 copies of any contracts made regarding
 the leasing of Yellowstone National
 Park, or any part of it, to any person
 or company, with the privilege of run-
 ning their lines, and running stages
 therein.

At the close of the morning hour
 Beck, Ky., called up his resolution for
 the investigation into the political as-
 sessments during the last campaign, and
 said he having personal knowledge of the
 knowledge on the subject, and thinking
 that discussion in advance of the
 ascertainment of the fact, unprofitable;
 he would content himself at present
 with asking a vote on the resolution.
 Hale, Me., thought that if the com-
 mittee were to be

that the Democratic
 levied contributions on dealers in li-
 quors, brewers and other associations.
 It directed the committee on judiciary
 to investigate these charges as well as
 that made against the Republican
 committee.

Beck, Ky., said the substitute pro-
 posed to investigate matters over
 which Congress has no control, and
 was evidently intended to embarrass
 the legitimate legislation proposed in
 the original resolution.

After discussion the substitute was
 ordered printed and at the suggestion
 of Harris, Tenn., the matter went over
 until to-morrow.
 Garland, Ark., spoke in advocacy of
 the Bankrupt bill, as prepared by the
 Judiciary Committee, and then some of
 the committee's amendments were re-
 ported by Ingalls and were agreed to.
 Vest moved the strike out the provis-
 ion that a man who fails for twenty days
 to discharge, an attachment against his
 property, in a civil suit, shall be de-
 clared a bankrupt. Agreed to.
 The Secretary of War was directed to
 furnish estimates of the river com-
 mission, for the work of improving the
 Mississippi river during the next fiscal
 year. The time was extended for the
 filing of claims for horses and other
 property lost in the United States ser-
 vice. Adjourned.

HOUSE PROCEEDINGS.

WASHINGTON, D. C., Dec. 7.—This
 morning unanimously adopted the resolu-
 tion to proceed at once to the consideration
 of the tariff commissioners report, and to
 frame tariff bills. The clerk of the
 committee was directed to prepare a
 schedule of notes now existing, and of
 those proposed by the members of the
 committee.

Kelly, of Pa., chairman of the com-
 mittee of ways and means, reported a
 concurrent resolution for the printing
 of 20,000 copies of the report of the
 tariff commissioners, which was passed;
 also a resolution setting apart
 Wednesday, Dec. 13, for the considera-
 tion of certain bills on the calendar
 previously reported from the commit-
 tee. He stated that the bills referred
 to related exclusively to the adminis-
 tration of the last resolution. Adopted.
 Haskell, Kan., presented a memorial
 from the non-Mormon people of Utah.
 Referred.

The House then went into a Com-
 mittee of the Whole. Page, Cal., in
 the chair, on the Indian appropriation
 bill. The total amount of the appro-
 priation provided for in the bill is
 \$5,208,999, being only \$724,200 less
 than the appropriation for the current
 year and \$1,516,776 less than the esti-
 mates.

Ryan, Kan., who has charge of the
 bill, explained that the reduction is
 necessary in the appropriations for as-
 sistance. In explaining the reduction
 in the number of inspectors from five
 to three, he said, the committee based
 its actions on the suggestion of the
 Secretary of the Interior; that it allowed
 two additional agents, he could dis-
 pense with two inspectors.

A bill authorizing the government
 to obtain the title to certain lands in
 Erie, Penn., and to establish a home
 for indigent soldiers and sailors was
 discussed at length, and opposed for
 the same reasons given during the
 consideration of the measure last ses-
 sion.

Hewitt, N. Y., moved to strike out
 the enacting clause. The committee
 agreed and the house later, confirmed
 the action.

Adjourned.

 supreme court of the district, criminal
 term, this morning, all the jurors sum-
 moned being in attendance, the district

 ment was ready to proceed in the case

 Brady and others. A motion for a
 continuance of the case was made on
 account of the illness of Stephen W.
 Dorsey. Judge Wiley overruled the
 motion. Ingalls excepted to the ruling,
 and asked time to go to his
 client's room and procure his signature
 to a paper, for which purpose a recess

COLLEGE DAYS.

The Students at an Ohio College Take
Matters Into Their Own Hands.

CLEVELAND, O., Dec. 7.—On the
 evening of Nov. 28, nearly the whole
 body of students of Adelbert College,
 and the Western Reserve College, in-
 dulgued in the forbidden traditional
 frolic, termed by them a tempus. They
 had a banquet, one of the principal
 features of which was cider, and a
 high old lark in the east end armory.
 Though as far as known, they did
 nothing worse than be boisterous, and
 possibly burlesqued the college attach-
 es and regulations. The faculty does
 not approve of this sort of
 spree, which has been an an-
 nual affair for some years, but this
 year it was interrupted. The fac-
 ulty at their last meeting decided to
 administer a rebuke commensurate
 with the offense, and to-day expelled
 the entire class, numbering seventeen.
 This afternoon all the students, ex-
 cept three, two of whom were not able
 to be present, met and unanimously
 adopted resolutions that they will quit
 the institution and go to other col-
 leges, unless the class is reinstated.
 The resolutions were presented to-
 night to the faculty, whose response
 hereto is expected to-morrow.

SALLIE STOKES ACQUITTED.

Put on Trial for the Murder of Miss Ste-
phens and Found Not Guilty.

LITTLE ROCK, Ark., Dec. 7.—An
 Arkadelphia special, says: The case of
 Sallie Stokes, on trial for the murder
 of Malinda Stephens, was given to the
 jury at noon, and two hours later the
 jury appeared and rendered a verdict
 of not guilty. Immediately Miss Stokes
 was surrounded by her counsel and
 friends, who extended their congratula-
 tions. She requested that the jury
 should visit her at her room that she
 might thank them in person, and at
 about 9 o'clock this afternoon the ju-
 ry called in a body, when the stoical be-
 lieism maintained throughout the tri-
 al forsook her and she gave way to
 hysterical exclamations of grief, mid-
 gled with her thanks. The jury was
 profoundly impressed, while there was
 not a dry eye in the assemblage.

Miss Stokes will leave for her home
 in Howard county, to-morrow morn-
 ing. It was ascertained, after the ju-
 ry had been discharged, that the verdict
 was found as soon as they reached
 their room, not a negative vote being
 heard upon the first inquiry as to the
 verdict should be.

 showing 280 majority for Murray in

 in the seventh; 691 for Warner in the
 fifteenth; eight for McKinley in the
 eighteenth; and returned them accord-
 ingly, but agreed not to issue the cer-
 tificates until Monday next, as James
 Campbell gave notice of a mandamus
 in the Supreme Court to issue the cer-
 tificates to him, instead of Morey, as
 Clarendon county returned 3577 votes
 for H. T. Morey, and the other three
 counties of the district for Henry T.
 Morey.

An entire district of Montgomery
 county returned twenty-two for A.
 Maynard, Murray and other counties
 for A. M. Murray. In the Fifteenth
 district Morgan county returned 729
 votes for Andrew J. Warner and the
 rest for A. J. Warner. Irregularities
 were found in other districts, but only
 in those named would the result be
 changed. The result of the Third,
 Seventh, Fifteenth and Eighteenth
 districts will be affected by the pending
 action.
